Safe harbor statement

This release includes forward-looking statements regarding XPEL Technologies Corp. and its business, which may include, but is not limited to, anticipated use of proceeds from capital transactions, expansion into new markets, and execution of the company's growth strategy. Often, but not always, forward-looking statements can be identified by the use of words such as "plans," "is expected," "expects," "scheduled," "intends," "contemplates," "anticipates," "believes," "proposes" or variations (including negative variations) of such words and phrases, or state that certain actions, events or results "may," "could," "would," "might" or "will" be taken, occur or be achieved. Such statements are based on the current expectations of the management of XPEL. The forward-looking events and circumstances discussed in this release may not occur by certain specified dates or at all and could differ materially as a result of known and unknown risk factors and uncertainties affecting the company, performance and acceptance of the company's products, economic factors, competition, the equity markets generally and many other factors beyond the control of XPEL. Although XPEL has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended. No forward-looking statement can be guaranteed. Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and XPEL undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
